

# FARM <sup>TO</sup> TABLE

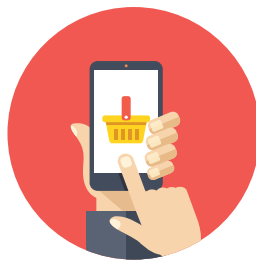

Where convenience comes naturally.

“A smart and healthy way to have meal-ready farm fresh produce delivered right to your dinner table.”

## HOW <sup>IT</sup> WORKS

Go to [farmtotable.com](http://farmtotable.com) to view our in-season selection of fresh produce and make your selections. That's it, after placing your order, your shipment will be delivered fresh to your door all ready for you to prepare fresh that night!

① Go online to place your order.

② Your produce is shipped fresh.

③ Prepare your dinner that night!
